

Movie Permission Form

Dear Parents,

Pass It Along suggests a parental permission for your student to view movies that are used in the Pride in Action curriculum, which are rated PG-13 or R.

We believe showing your son or daughter films or portions of films such as *Boy Erased*, *Love Simon* and *Growing Up Coy*, enables them to benefit from another medium as a resource in their exposure of current events and history. We understand that in some scenes within this movie harsh language is used, yet if we were to eliminate every movie deemed to have something objectionable in it, we would lose the use of relevant parts as tools for learning from events that actually happened.

Movies, along with our hands-on activities, group discussions, and guest speaker panels, give our teenagers a well-rounded opportunity to discover the world of history, current events, and the LGBTQ+ movement. Movies go beyond dry facts and help bring events "alive."

Thank you for taking the time to read this permission form.

Sincerely,

Zachary Anderson
