

Volunteer Recognition Celebration

Sponsorship Form

As a sponsor of the Annual Pass It Along Volunteer Recognition Celebration, you have the opportunity to provide support in a variety of ways, including scholarships, event presentation and continued support of our various leadership programs and volunteer opportunities. Those receiving a scholarship have often served **over 500 hours** and have worked to create projects for their community, based on the need within targeted demographics in Sussex, Morris, Warren and Essex Counties. Our various leadership programs consist of highly motivated, ambitious teenagers who are committed to serving at a deeper level. Throughout the course of the year, these teens meet on a weekly basis to research, plan and conduct major service projects. During this process, teens develop leadership skills, build on their personal strengths, and develop a true sense that they are empowered individuals who can make a real difference in the world.
